POTY 1 3rd Maruia Falls by Phil Mallin BPE1 LNPS

Welcome

Welcome to Earl Shilton Camera Club for a new season of photographic activity. Despite the lockdowns and restrictions caused by Covid-19, last season's meetings all went ahead every Wednesday courtesy of Zoom. We now eagerly anticipate the new season of 2021/22 with another varied and interesting programme, hopefully meeting again at the Constitutional Club in Earl Shilton.

The season's programme is designed to encourage and promote the art and technology of photography in all its aspects. Meetings are attended by like minded people to discuss and participate in all our activities. We have within our membership accomplished and experienced photographers who actively encourage and help those of less experience and ability.

The club's main activities are based on, workshops, internal competitions, critique sessions, lectures from talented external speakers and inter club competitions. During the summer we hold our annual club exhibition at the Atkins Gallery in Hinckley which is open to the public.

The club is well equipped with our own studio equipment, including lighting and backdrops, Projector and screen, PA system for main events, light box for displaying prints and display racks. Our normal venue at Earl Shilton Constitutional Club provides a comfortable and sizeable room which is adaptable to all our needs. During meetings we have an interval when our members are welcome to use the bar facilities on the ground floor.

Access: Although our meetings are on the first floor there is a stair lift for the less mobile and disabled parking to the front of the building.

Club Chairman

If you have joined us recently it is worth taking time to study the detail within the handbook. There is a lot happening; also look at the website www.earlshiltoncameraclub.org.uk which is updated regularly.

Summarized Club Rules

A comprehensive breakdown of competition rules is available on the Club's website.

<http://www.earlshiltoncameraclub.org.uk/competition-rules>

ALL ENTRIES

- Entries for club competitions must be submitted by the submission date, unless special dispensation received from Competition Secretary
- Entries submitted must not have been previously entered in same competition previously.

PRINTS

- Entries for print competitions should be mounted with mount sizes not exceeding 20x16 inches / 50x40cm
- All submitted prints must have a completed club sticker (available on the website @ <http://www.earlshiltoncameraclub.org.uk/competition-labels/>) on the rear of the print (please put the sticker on the back bottom left of your print), giving the image Author, Title, Competition and date of submission)

PROJECTED IMAGES (PDI)

- Images may be submitted on Memory Stick or by email to the Competition Secretary and match the specified standards:
File type: JPEG; Colour Space: sRGB; Maximum Image Size: 1920 pixels wide by 1080 pixels high. (Note: Portrait format images should be no more than 1080 pixels high)
Resolution: 72dpi
Filename: Should be the <image title>-<authors name>.jpg only. The Competition Secretary will add a two digit number to the front of the filename in order to simplify slideshow production

MONOCHROME IMAGES

- All black white and monochrome images are classed as monochrome
- A black and white image which has been modified by the addition of a single tone to the entire image is defined as a Monochrome Image

COLOUR IMAGES

- All images other than those meeting monochrome criteria above are defined as colour images
- A black and white image which has been modified by the addition of partial toning or by the addition of one colour to any part of the image is a Colour Image

COMPOSITE IMAGES

- All components of a composite image must have been taken by the Author, this also applies to added textures and skies.

NATURE IMAGES

- Images where living organisms are the primary subject matter. The story telling value of an Image will be weighed more than the pictorial quality. Processing of the image, by cropping, exposure adjustment, colour correction, noise minimisation, dodging/burning, HDR, focus stacking, mono conversion and sharpening, is permitted, as is cloning of image defects and minor distractions including overlapping elements. An Image appearing to meet these criteria will be accepted as Nature. If in doubt consult PAGB rules.

POTY 4 1st "Three Wrecks" by James Botterill
